**TOP FEMALE and CAT OF THE YEAR**  
**“Kisamee Delfi”**

**TOP NEUTER**  
**“Cracker Unbelievable”**

**TOP KITTEN**  
**“L’Exquisite Incroyable”**

At the CFSA Annual Cat of the Year event held on 28 September 2013, each of the 2013 category winner owners received a very special prize in the form of a stunning painting of their respective winning cats.

These paintings were done by Anet du Toit and Reynel Kruger and were sponsored jointly by them and Lyndie & Erwin Komossa.

ANET DU TOIT is the creator of Delfi, Unbelievable and Incroyable’s beautiful painting.

The paintings were based on photos taken by the following photographers:

- Kisamerr Delfi, photo by Theresa Fouché.
- Cracker Unbelievable, photo by Theresa Fouché.
- L’Exquisite Incroyable, photo by Linn Currie.

She has been living in Bethal, Mpumalanga for the last 20 years.

In 2007, a friend challenged her into painting with oils, awakened her suppressed talent and thus she became a full time artist. She works in a realistic style, considering every new work as a challenge and learning curve.

TOP PET  
"Melody"

TOP MALE  
"Brettachtals  
Maserati  
of The Catwalk"

Being commissioned by people who share her passion for art, whether by photo's or detailed descriptions, she is able to show them what their ideas looks like through the eyes of an artist.

Their satisfaction with the result is almost reward enough. She loves to share and receive different ideas and techniques with other artists, thereby finding ways to improve her work.

Art has become her labour of love and a lifestyle. Her motto is: "If ever you feel your back against a wall, turn around and paint on it", and that is exactly what she does.

REYNEL KRUGER is the creator of Melody and Maserati's beautiful paintings.

The paintings were based on photos taken by the following photographers:

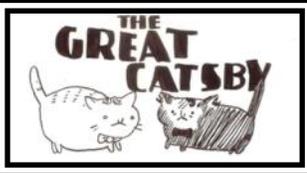

- Melody, photo by Jenni Ferreira
- Brettachtal's Maserati of The Catwalk, photo by Linn Currie

She is an artist who paints cats, colourful flowers, scenery from her travels and marine subjects from in and around Doringbaai, a picturesque little fishing village on the West Coast of South Africa where she lives.

Reynel adores cats and have two of her own. After painting 30 Cats in 30 days with watercolours, she was commissioned to paint cats on a regular basis even though her painting style is leaning more towards loose, colourful and impressionistic than tightly realistic, and this shows clearly in the cats she painted for this competition.

Her paintings can be found in galleries in De Rust and Port Owen and Cabin Restaurant, Doringbaai

A huge thank you to Lyndie & Erwin Komossa, as well as the two very talented ladies, Anet du Toit and Reynel Kruger for this stunning initiative and priceless works of art!
